ORDER :

Government has been providing Internet facility to offices and officers in the AP Secretariat through APSCAN and APSWAN.

2. Internet access by departments both in Hyderabad and Districts has been so far through APSWAN for which Internet Band width of 8 Mbps has been provided centrally at Secretariat. This bandwidth is shared by all users. However, due to increase in usage of Internet access, many requests are coming from Departments for provision of higher and dedicated Internet Bandwidth of running their citizen centric applications which require assured response time. BSNL for provision of Internet Bandwidth of 2 Mbps (1:1) Bandwidth to Government Departments across the State at special tariff vide G.O. 1st and 2nd read above.
